Harlow

The “Harlow” Table, hand-crafted in Southern California, is a quintessential representation of modern art in furniture. Its sweeping contour base provides a foundation for the elongated glass top. Some pieces act as backdrops and others a center piece. The Harlow is the later.

dimensions

132" W x 48" D x 29" H

finish

shown in polished stainless steel with diamante top with
bullnose edge

details

also available in metallic powder coat
